

PHONE CALLS

- I never give personal information to incoming callers
- I hang up and call back on a known number to verify
- I know no government agency asks for gift card payment
- I have a family code word to verify emergency calls
- I let unknown numbers go to voicemail

EMAILS & TEXTS

- I don't click links in unexpected messages
- I check sender addresses carefully before responding
- I verify requests by contacting the company directly
- I know my bank will never ask for my password via email
- I report phishing emails as spam

ONLINE & ACCOUNTS

- I use different passwords for important accounts
- I have two-factor authentication on my email
- I check my bank statements monthly
- I never send money to someone I've only met online
- I verify investment opportunities with a financial advisor

IF SOMETHING FEELS WRONG

- I know to call my bank immediately if I shared financial info
- I know to report scams at ReportFraud.ftc.gov
- I know to freeze credit at all three bureaus if needed
- I talk to my family before sending money to anyone
